

Life Care Center Ice Cream & Cake Social

On December 13th our Council once again participated in a social held for the residents of the Life Care Center. Brother volunteers distributed cake and ice cream while the teen group distributed presents which were donated as part of the Angel Tree Program. Our thanks to committee chair Art Tonkinson for organizing a very successful event.

Attendants-in-waiting and by their own admission... future residents!

Members of the teen group bring cheer to the residents by distributing presents.

Music provided by The Knight Hawks

Our Brothers pitch in as Santa's helpers
